The above-captioned matter is set on February 10, 2017 before this Honorable Court for a sentencing hearing. The parties jointly request that the Court continue this matter to February 24, 2017, at 9:30 a.m., so that the defense has additional time to consider and review the draft Presentence Investigation Report and to present mitigation evidence to the probation office for the final report.

Defense counsel recently received CPS records for Mr. Gandara and defense counsel awaits receiving a psychological report on Mr. Gandara that the defense would like for the probation office to consider. For these reasons, the defense requests an additional two weeks to prepare for

1 the sentencing hearing. The parties and probation office are available on February 24, 2017 and
2 stipulate and agree that it is appropriate to continue the sentencing hearing to this date.
